

CUFC_ID	State	Local Street Name	County Code	Municipality	Start Point (Seg Begin)	End Point (Seg End)	Length (ft.)	Priority	Description / Justification
	PA	Keystone Ave	40	Jenkins Twp	Intersection w/ Research Dr	Intersection w/SR 0315	1,267.40	1	This road handles 25% or greater truck traffic. It serves CenterPoint Industrial Park which includes: Lowe's Distribution Center, FedEx Ground, Benco Dental, Bimbo Bakeries, and Kane Is Able, Inc. All are within PA Top Freight Generators. Suggested connection to the PHFS would be via suggested CUFC SR 0315.
	PA	Centerpoint Blvd	40	Jenkins Twp	Intersection w/ Research Dr	Intersection w/Keystone Ave	7,836.70	2	A 25% greater truck traffic from servicing Centerpoint Industrial Park. This road connects the industrial park to SR 0315 to the PHFN.
	PA	Navy Way Rd	40	Pittston Twp/Dupont Boro	Intersection w/ Commerce Rd	Intersection w/ Terminal Rd roundabout	4,752.00	3	Connects Commerce Rd and industrial park to Terminal Rd for Scranton/Wilkes-Barre International Airport.
	PA	Stauffer Industrial Park Road	35	Taylor	Intersection of Oak Street SR 3012	Intersection of Keyser Avenue SR 3011	8,606.40	4	This industrial park houses Sam's Distribution, Kane Is Able, UPS Distribution Center and Arlington Industries. It is 1/4 mile from the Taylor Norfolk Southern Railroad intermodal center. Local road counts were performed. The entrance from Oak Street had an AADT of 4183 with a 32.85% truck traffic. The entrance from Keyser Avenue had an AADT of 5437 with a 27.2% truck traffic.
	PA	Armstrong Rd	40	Jenkins Twp/Pittston Twp	Intersection of SR 2035	Intersection of w/ Capital Dr	3,560.00	5	PA Roads with 25% or Greater Truck Traffic. Serves CenterPoint Industrial Park which includes: UPS Ground and R&L Carriers, PRIME, Inc. Trucking, NES Rentals. Located within a number of Freight Finder data points: WEP Co Inc., Fran Tomalis & Sons Linde LLC, Maier's Baking Co, Coon Industries Inc., Friedman Electric. All within PA Top Freight Generators. Connecting SR 2035 to NHS through CenterPoint Industrial Park. Connection to the PHFS would be Suggested CUFC SR 0315.

CUFC_ID	State	Local Street Name	County Code	Municipality	Start Point (Seg Begin)	End Point (Seg End)	Length (ft.)	Priority	Description / Justification
	PA	Enterprise Way	40	Pittston Twp	Intersection w/ SR 2019	Intersection w/ 0315	6,336.00	6	Serves a major freight generator, logistic center, or manufacturing and warehouse industrial land. Companies that occupy Enterprise Way include: The Home Depot Distribution Center, Walmart Supercenter, Greiner Packaging, HVAC Distributors, Pella Windows and Doors. Connecting to the NHFN would be via suggested urban corridors SR 0315 or SR 2019.
	PA	Keystone Industrial Park Road	35	Dunmore	Intersection of O'Neill Highway SR 347	Intersection of Reeves Street	4,224.00	7	Part of the network that accesses the Keystone Sanitary Landfill, Polarized Meat, Maid-Rite Steak Co., Waste Management Dunmore, Dunmore Oil Co. Current AADT is 3,928 and 36.79% truck traffic.
	PA	Reeves Street	35	Dunmore	Intersection of Keystone Industrial Park Road	Intersection of Dunham Drive	2,112.00	8	Part of the network that accesses the Keystone Sanitary Landfill, Polarized Meat, Maid-Rite Steak Co., Waste Management Dunmore, Dunmore Oil Co .
	PA	Dunham Drive	35	Dunmore	Intersection of Reeves Street	Intersection of Tigie Street	6,600.00	9	Part of the network that accesses the Keystone Sanitary Landfill, Polarized Meat, Maid-Rite Steak Co., Waste Management Dunmore, Dunmore Oil Co .
	PA	Tigie Street	35	Dunmore	Intersection of Dunham Drive	Intersection of Drinker Street SR 2020	1,214.40	10	Part of the network that accesses the Keystone Sanitary Landfill, Polarized Meat, Maid-Rite Steak Co., Waste Management Dunmore, Dunmore Oil Co .
	PA	Commerce Rd	40	Pittston Twp/Dupont Borough	End of Road	Intersection w/2035	7,513.00	11	Located within a Top Freight Generator. Businesses include Maui Cup, Herr Foods Inc., CSI Material Handling, Letica Corp, Penguin Group Distribution Center, Amazon Avp6, CSI Enterprises, and Eastern Produce Distribution. Would serve as connector to NHFN for the following urban local suggested segments: Satheras Dr, Freeport Rd. Connecting to suggested urban corridor SR 2035 to PHFS.

CUFC_ID	State	Local Street Name	County Code	Municipality	Start Point (Seg Begin)	End Point (Seg End)	Length (ft.)	Priority	Description / Justification
	PA	Sathers Dr	40	Pittston Twp/DuPont Borough	End of Road	Intersection w/ Commerce Rd	6,367.00	12	Located within a Top Freight Generator. Serves: FedEx Ship Center, TJ Maxx Distribution Center, Thruway Fasteners Inc., Cascades Tissue Group, Saddle Creek Logistics Services, Eynon Furniture Outlet Distribute, and Bimbo Bakeries USA. Connection to PHFS via suggested CUFC_Local Commerce Rd.
	PA	Freeport Rd	40	Pittston Twp/DuPont Borough	Private Rd	Intersection w/ Commerce Rd	3,346.00	13	A Top Freight Generator is located within this area. The road serves a major industrial manufacturing facility, YELLOW-SCRANTON-PA TERMINAL. In addition it serves FedEx Ground, Old Dominion Freight Line, and C & H Transport Inc. Connection to PHFS via suggested CUFC_Local Commerce Rd.
	PA	Veterans Memorial Drive	35	Jessup	Intersection of SR 247	Intersection of Mid Valley Drive	4,382.40	14	Connector to one of PA's Top Freight Generators-Mid Valley Industrial Park and SR 6, the Casey Highway. Nazar Diesel, Service Tire Truck Centers, MTF, Penske Truck Rental, Independent Trading, Dempsey Uniform, Fastenal Distribution Center, MTL, Cintas and Technicolor Home Entertainment.
	PA	Mid Valley Drive	35	Jessup/Olyphant	Intersection of Veterans Memorial Drive	Intersection of Lackawanna Avenue	5,016.00	15	Connector to one of PA's Top Freight Generators-Mid Valley Industrial Park and SR 6, the Casey Highway. Nazar Diesel, Service Tire Truck Centers, MTF, Penske Truck Rental, Independent Trading, Dempsey Uniform, Fastenal Distribution Center, MTL, Cintas and Technicolor Home Entertainment.
	PA	Lackawanna Avenue	35	Olyphant	Intersection of Mid Valley Drive	Casey Highway Ramps SR 0006	1,161.60	16	Connector to one of PA's Top Freight Generators-Mid Valley Industrial Park and SR 6, the Casey Highway. Nazar Diesel, Service Tire Truck Centers, MTF, Penske Truck Rental, Independent Trading, Dempsey Uniform, Fastenal Distribution Center, MTL, Cintas, and Technicolor Home Entertainment.

CUFC_ID	State	Local Street Name	County Code	Municipality	Start Point (Seg Begin)	End Point (Seg End)	Length (ft.)	Priority	Description / Justification
	PA	Kiwanis Blvd/ 40K084001000 00002006335	40	Sugarloaf Twp/West Hazleton Borough	End of Road	Intersection w/ 0093	1,900.00	17	This is a designated K Route serving the Valmont Industrial Park. Connects suggested segments: Jaycee Dr to Kiwanis Blvd and Kiwanis Blvd to SR 0093 to the PHFS.
	PA	Rotary Dr	40	West Hazleton Borough	End of Road	Intersection w/ Kiwanis Blvd	1,968.80	18	Serves businesses: Thermatek Range, Farmers Dairy, all located in Valmont Industrial Park.
	PA	Dessen Dr/ 40K083001000 00001010565	40	West Hazleton Borough	Intersection w/ Jaycee Dr	Intersection w/ Kiwanis Blvd	1,056.00	19	This is a designated K Route serving the Valmont Industrial Park. Would connect suggested urban local segments Jaycee Dr with Kiwanis Rd to suggested urban SR 0093.
	PA	Jaycee Dr/ 406203001000 00002031155	40	Hazle Twp	End of Road	Intersection w/ Dessen Dr	7,737.90	20	This is a designated K Route serving the Valmont Industrial Park. Businesses located within are Concord Plastics Inc., Plastic Fabrication Company, The Merrick Group, Inc., Keystone Fluid Power, Hydraulic Repair Service, Greater Hazleton Joint Sewer, Dial Corporation, Siegwork Ink Packaging, Bemis Polyethylene Packaging, Graham Packaging, EAM-Mosca Corporation, Johns Manville, Atlantic Packaging Papermill, and Fabri-Kal Corporation. Medical Supply, and Silgan Closures.
	PA	New Commerce Blvd	40	Hanover Twp	Intersection of SR 2008 w/ New Commerce Blvd	Intersection of Hanover St w/ SR 0029	8,741.50	21	Main artery serving ingress and egress for Hanover Industrial Park. Hanover includes a major freight generator, logistic center, manufacturing business, warehousing, and/or other industrial conglomerates. Additional industrial site development is under construction with completion expected in the Spring of 2017. Suggested connection to the PHFS would be via suggested CUFC SR 0029.

								18.12	

CUFC_ID	State	State Route Number	County Code	Start Point (Seg Begin)	End Point (Seg End)	Length (ft.)	Priority	Description / Justification
	PA	0006	35	0254	0364	27,965.00	1	Interstate Look-alike that was developed for commercial industrial development. Directly serves 6 industrial parks along the entire route. Current AADT is over 20,000 10% truck traffic. Connects to the NHFN I-81, I-380, and I-84.
	PA	0315	40	161	151	4,356.00	2	SR 0315 from I-81 North on-ramp to I-81 South on-ramp is an Urban Principal Arterial and is important to the movement of freight within the region by connecting an intermodal facility to the PHFS (Interstate 81/Interstate 476). It would support connectivity to the PHFS for suggested CUFC_State 2019 and CUFC_Local segments: Enterprise Way & Armstrong Rd/ CenterPoint Blvd/ Keystone Ave.
	PA	0315	40	233	233	1,570.00	3	Supports the current PHFS Terminal Rd to Scranton/Wilkes-Barre International Airport and Interstate 81. This would provide access for CUFC_Local Navy Way Rd and industrial park to the PHFS.
	PA	2019	40	0020	0010	4,144.70	4	SR 2019 from railroad crossing in segment 0020 to intersection with SR 0315 would support CUFC_Local suggested segment Enterprise Rd by providing access to 0315 and to the PHFS. Serves major freight generator, logistic center, manufacturing, warehouse industrial land: Coca-Cola Bottling Co, Cook Brothers Truck Parts, and Colours Inc.
	PA	3016	35	0004	0040	9,178.00	5	Serves one of PA's Top Freight Generators, Taylor Norfolk Southern Railroad Intermodal Center, & Stauffer Industrial Park. Major freight generators: Unimin Co., Preferred Meal Systems Inc. and Metkote Laminated.
	PA	0093	40	0140	0150	2,444.00	6	SR 0093 is an Urban Principal Arterial on the NHS. It serves as a critical connection to the PHFS for Valmont Industrial Park and Hazleton City. This state road carries a current weekday truck volume over 1,300 which equates to a 7% daily truck traffic.

CUFC_ID	State	State Route Number	County Code	Start Point (Seg Begin)	End Point (Seg End)	Length (ft.)	Priority	Description / Justification
	PA	3013	35	0070	0080	6,881.00	7	Services one of PA's Top Freight Generators Stauffer-Industrial Park. Major freight generators include Alliance Sanitary Landfill, Kane Warehousing, Sam's Club Distribution Center, Unimin Co., Pyne Freight Lines Inc., and Arlington Industries. On nearby Stauffer Industrial Park Road from Oak Street has a current AADT of 4,183 and 32.85% truck traffic.
	PA	3012	35	0030	0030	1,398.00	8	Services one of PA's Top Freight Generators, Stauffer Industrial Park. Major freight generators include Alliance Sanitary Landfill, Kane Warehousing, Sam's Club Distribution Center, Pyne Freight Lines Inc., and Arlington Industries. Stauffer Industrial Park Rd from Oak St has a current AADT of 4,183 and 32.85% truck traffic.
	PA	0029	40	0010	0011	6,115.90	9	SR 0029 would serve as a connection for suggested CRFC_Local New Commerce Blvd to the PHFS. Carries over 900 current weekday truck volume or 9% daily truck percent.
	PA	247	35	0120	0120	2,447.00	10	Serves one of PA's Top Freight Generators: Valley View Business Park connecting Alberigi Dr & Valley Drive up to the Casey Hwy. Valley View Drive has a current AADT of 7,926 with 24.44% truck traffic. Freight Generators include McLane Trucking Co, LMS Intellibound, Cardinal L.G., Two Chefs on a Roll, and Northeast Laminated Glass Co.
	PA	347	35	0020	0030	3,738.00	11	Connects Keystone Industrial Park with the NHFN I-81. Keystone Industrial Park Road has a current AADT of 3928 and 36.79% truck traffic. Major freight generations include Keystone Veal LLC, Keystone Sanitary Landfill, Sherwood Freight Liner, Waste Management Dunmore, and Road Scholar Transport.

CUFC_ID	State	State Route Number	County Code	Start Point (Seg Begin)	End Point (Seg End)	Length (ft.)	Priority	Description / Justification
	PA	0011	40	0010	0030	4,820.00	12	SR 0011 is an Urban Principal Arterial on the NHS stretching from the Columbia County line to Bomboy Lane. By connecting with Columbia County, this artery would serve a major freight generator, logistic center, and manufacturing and warehouse industrial land. It carries over an 800 current weekday truck volume or 7% daily truck traffic.
	PA	3011	35	0060	0170	29,771.00	13	Services Alliance Landfill, COLTS, Simplex Modual Homes, Aztex Plastics, and Stouffer Industrial Park.
	PA	2020	35	0070	0084	3,791.00	14	Connects Keystone Industrial Park with Dunham Dr to the NHFN (I-84/I-380/81). Major Freight Generators include Dunmore Oil, Maid-Rite Steak Co. Inc., & Keystone Sanitary Landfill.
	PA	3022	35	0010	0010	3,882.00	15	Interstate look-alike that connects Scranton City with the NHFN I-81. Cur_AADT 21,044, Trk_Pct of 12%, and a Wkdy_Trk_Base 2,528. Numbers may be skewed lower because of ongoing construction on the Harrison Ave Bridge.
	PA	11	35	262	292	6,069.00	16	Interstate look-alike that serves as a connector to the NHFN I-81.
	PA	6006	35	0225	0251	2,875.00	17	Connector from SR-11 to the NHFS I-81.
	PA	11	35	0300	0350	11,471.00	18	Connects Scranton-Carbondale Highway to the NHFS I-81, I-476.
	PA	6	35	0010	0180	43,013.00	19	Primary access for Wyoming County to the NHFS 1-81 & I-476 and to central Lackawanna County.
	PA	2010	40	100	100	707.00	20	SR 2010 from Hanover St to SR 00029.
	PA	309	40	0050	0010	11,026.00	21	Connects all industrial flow from Back Mountain southbound to Wilkes-Barre to PHFN.
	PA	415	40	0751	0623	51,986.00	22	In support of connecting SR 118 from the Back Mountain and SR 309 to Wilkes-Barre.
	PA	315	40	0151	0045	26,400.00	23	Connects local access from Centerpoint Industrial Park to downtown Wilkes-Barre.
