*A new buffered bike lane with in-street parking for cars and motorcycles.
Market Street, Philadelphia, PA*

Do you have ideas for some of our very wide streets here in Scranton?

Join us! For an Exploratory Walk of Downtown Scranton to examine the potential alternatives for making the downtown desirable for bicycling and walking.

When: Saturday, June 15, 2019 from 10:30 AM to 12 o'clock Noon

Starting Point: August Café at Veloce Scranton, 118 Franklin Avenue, Scranton, PA

Optional Lunch: Following the walk, we'll convene for more discussion over an optional lunch.

Pace of the Tour: will be determined by the number and interests of the participants. We'll be walking for up to an hour-and-a-half, with many stops to review conditions and opportunities. All walking is on pavement.

Tell us what's important to YOU by visiting the Scranton/Wilkes-Barre WikiMapping and survey page: <https://wikimapping.com/swb-plan.html>

Funding for this project is provided by Department of Community and Economic Development, Department of Conservation and Natural Resources, Lackawanna County, and Luzerne County.
