Most bicycles can be accommodated on COLTS Transit Buses. COLTS cannot transport any bicycle that requires gas, diesel, or any combustible fuel. Each bike rack holds up to two bikes. COLTS subcontracted buses do not have bike rack availability.

If you are considering traveling with a bicycle, please consider the following:

- Once the bus comes to a complete stop, kindly alert your driver that you will need to secure your bike.
- Carefully, approach the front of the bus, lower the rack, by squeezing the spring-loaded handle. Lift your bike into the wheel well closest to the bus and place the security hook over the tire.

Bike space is limited and cannot be guaranteed.

- When you arrive at your destination, kindly remind the driver that you need to unload your bicycle.
- Then, approach the front of the bus, remove the security hook from the tire, lower your bike and return the bike rack to the upward position.

## II. HOW TO BOARD AND PAY YOUR FARE

Welcome to COLTS! We are glad you are riding with us today.

Each route follows a set schedule. Paper schedules can be found in the Transit Center. You can also download the myStop app to your phone, tablet, or desktop, or check out our website, [www. Coltsbus.com](http://www.Coltbus.com) for routes, runs, and updates.

Each bus displays the destination on the bus head sign located above the windshield or to the left of the entrance door. If you have questions about the destination for a particular bus, do not hesitate to ask your driver.

Once you have chosen a route, please, arrive at the bus stop 5 minutes prior to scheduled departure time, and prepare to have your fare ready before the bus arrives. Keep a safe distance between you and the bus as it approaches, and wait to board until the bus has completely stopped.

When boarding, please be courteous to passengers who may use a mobility device or have strollers with small children. Please, remember to use the handle rails for assistance.

As you enter, you must pay your fare at the farebox as soon as you board.

COLTS offers a variety of bus passes, which are available for purchase in the Transit Center, our website, or local vendors. We recommend purchasing 10 Ride Passes and Monthly Passes in advance. You can also purchase a Day pass for \$4.00 or a \$.75 Transfer when you board your Fixed Route bus. Remember a Day pass allow you to ride all day, and it expires at midnight on the day it is stamped. Transfers expire two hours after purchase and cannot be used for Return Trips. When using a 10 Day pass, you may purchase a Transfer at the time of boarding to extend your trip for use on an alternative Bus. Inform the driver when you board, so the driver can issue you the correct card.

Once you board, insert the pass into farebox. Once you see and hear the pass is accepted, you may take your seat. If you hear an alert or see a denial of your pass, both the farebox and your operator can assist you.

Some passengers will pay with cash or coin. Insert your bills into the bill slot and your change into the change
