

**Lackawanna/Luzerne MPO  
Transportation Study  
Technical and Coordinating  
Committee Meeting  
January 13<sup>th</sup>, 2026  
Minutes**

At 1:04pm, Dean Roberts opened the meeting.

Mr. Roberts noted that, according to the Sunshine Act requirements, the meeting and agenda were advertised in the Scranton Times, Citizens Voice, and Hazleton Standard Speaker and the meeting time and agenda were posted on the LLTS MPO website more than 24 hours prior to the meeting.

Mr. Roberts asked the room to have a moment of silence in honor of PennDOT district 4 executive and coordinating Committee Vice Chairman Rich Roman.

**1. Draft LRTP Public Comment**– Public comment on the [draft 2050 Long Range Transportation Plan \(LRTP\)](#). View the [storymap](#)

Brian Funkhauser stated that the long process of the LRTP update has finally reached the final draft. There have been a few changes made to the draft including additional points of access on the PA Turnpike. The federal review team had recommended that performance measures for transit authorities need to be addressed corresponding to the MPO. The inclusion of the plan states that the MPO will work with the transit authorities to help reach the performance measures.

There were no further comments on the LRTP draft.

**2. Public Comment** – Discussion of the items not listed on the agenda.

There were no additional public comments.

**3. Action Items**

- a. Approval of the [October 7, 2025, Combined Technical and Coordinating Committee Meeting Minutes](#)
